## **Hell**

Joanna lived a filthy, disgusting, horrible life. She had done terrible things and taken delight in the pain she caused others. There was no denying it: she deserved to live her afterlife in Hell.

Even God bulked in laughter when she showed up in Heaven and begged forgiveness. He had seen all the wretchedness of her earthly life and was not prepared to extend her any mercy. Joanna pleaded and cried, but God was unmoved.

"I have no need of your repentance," He said finally, with a voice that shook the skies and sent lightning racing through the clouds. "You have earned your eternal damnation."

So Joanna, with her head bowed, turned and walked away. She was not surprised, but still, she felt a pang of sorrow. She had thought that maybe, just maybe, she could be redeemed. Suddenly, the clouds broke away, and Joanna fell through the skies. She tumbled thousands of miles through space and time until she landed in the fiery furnace of Hell.

Joanna could feel the heat radiating against her body as she walked through the cave of fire. She felt like she was inside an oven, with the walls and ceiling seeming to be closing in on her with every step. Her skin burned and stung—she could feel it cooking and hurting beneath her clothing.

Tears ran down her face as she stumbled forward, visions of all the horrible things she had done in life flooding back to her. Everything she had done—the pain she had caused—swirled around her like a maelstrom of regret.

She thought of all those she had done wrong, and all the guilt that weighed so heavily on her chest began to consume her. Joanna stopped, knees weak, and leaned against a boulder for support. Hot tears streamed down her cheeks as she screamed into the abyss surrounding her: "I'm sorry! Please forgive me!!"

There was no response except for an echoing laugh that mocked Joanna's plea for mercy. Joanna then accepted that she would never receive forgiveness—not here, not anywhere—and cried in desperation.

Joanna felt a hand on her back. Turning around, she saw a tall man – a human. His appearance brought memories of silly putty. Every part of his face, from his disfigured nose to his eye sockets. Bones seemed as if they had been broken and reformed. Joanna attempted to push his arm away but quickly realized he was much stronger than her. Watching him, she saw a crooked smile cross his face. "Fuck you!" She screamed as she tried to step back away from the man. Unfortunately, Joanna felt the hands of other figures around her begin to strip her body of clothing. Opening her mouth to scream, she took in a lung full of fire and brimstone that hung in the low-hanging clouds. Pain shot down her throat and into her stomach. "Arghh!" She screamed again, gasping for breath while the hands pulled her to the ground.

Fire split up Joanna's back when she smacked against the sharp, rocky ground. "Please! No!" She tried to say when a hand moved to her mouth and pried her jaw open. She could feel the man's thick, veined cock penetrate and plunge into her throat. Joanna was not ready, so she took the dick while choking, desperate for air. She felt his hands in her hair, pushing her head closer to his soot-covered skin. The smell of sweat, cum, piss, and shit covered his dick – it made Joanna puke in her mouth. She hated this and wished it would end, but a small part knew it would never end. Time held no constant or value here, and Joanna began to realize how fucked she was moment by moment. His cock hammered the back of her neck painfully as it dove into her repeatedly.

She lost count of how many times the man raped her mouth, but Joanna knew he was not done. The man moved, and she felt the dick pulling out of her puking mouth. Joanna could hear another voice coming from behind her, and the dick was removed from her mouth. She sucked in a massive breath of hot air before being forced onto her stomach.

At first, Joanna didn't realize what was happening, but then she felt a rough hand on her ass and the hard dickhead push against her tiny asshole. "No!" She screamed, but the fat cock had already gone past her tight sphincter. She felt the dick go deeper into her ass, and a burning sensation began spreading across her bowels. She felt like she was being fucked with a fiery rod and began to weep from the pain. A low growl escaped her throat while her asshole burned and twisted in agony.

Joanna wanted to die, but the torture continued. The man began moving quicker, and his dick raked against the walls of her ass. She could feel the hot, thick cum start to push into her intestines as the man ejaculated into her. The sensation caused a pain in her stomach, and she cried out again, begging for mercy, but none was given. The man tugged out of Joanna's ass with a wet plop, and she could feel the cum oozing from her stretched anus. She felt another dick against her asshole, and she could feel it begin to push in. Joanna wanted to run away, but the man spread her legs and held her down by the hips. "Please, please stop! Oh, God, stop! Please!"

Even though she didn't want to look, Joanna glanced behind and saw an animal savagely grasping onto her hips while mounting her back. Joanna found it difficult to tell what kind of beast was balls-deep in her ass through the billowing smoke. The pain had moved up from her anus and spread throughout her body as the animal went deeper into her cunt. Finally, Joanna saw an enormous bear – however, his body wasn't normal – something was very wrong with this creature. His cock had to be nearly twice the size of an average bear, and it stuck straight out, hard and ready. Watching the animal dive on her body, Joanna wished his sixteen-plus-inch dick was smaller so it wouldn't hurt so badly.

"Ohh, aghhhh!" Joanna screamed as the animal's cock thrust into her asshole. She could feel him stretching her tight ass as he pulled out before jamming himself back into her wetness. "Stop! Please! No!"

The beast didn't stop but instead fucked Joanna harder. He screwed his cock up Joanna's ass until his hairy body was flush against hers. Grunting and growling while vigorously thrusting his cock into Joanna's cunt,

he began to cum. His cock swelled inside of her and unleashed a torrent of cum that filled her ass.

When his dick was done filling her with cum, Joanna felt another cock push against her pussy while the bear pulled out of her asshole. She felt a blistering hot breeze move between her legs and across her abused asshole, bringing no relief to her mind or body.

"Please forgive me! I'm so sorry!" She screamed into the abyss.

The dick pushed deeper into her pussy, and Joanna felt her body begin to shake. She had not been fucked in quite some time, and now she was roughly railed by two giant creatures. The dick was moving so quick her body shook harder and harder. Her eyes caught a glimpse of the bear that had just been inside her asshole, and she saw a huge, thick, black cock moving towards her face. Joanna tried to move but felt the bear's paws holding her down, easily securing her in place. She was trapped – her fate had been sealed, and she knew it.

The black cock pushed against her wet pussy lips, and she could feel her body beginning to shake more violently as the creature's cock pounded into her pussy. She tried to look over her shoulders at the animal but couldn't twist her body while the animal was drilling her cunt.

Joanna's lips parted, and the bear's cock slid into her mouth while the other animal continued its assault on her pussy. She could feel the huge cock pushing deeper and deeper into her mouth until she gagged and choked. Her throat noticed the shaft beginning to pulsate and twitch in her mouth, and then, before Joanna knew what was happening, the dick began to spurt with sticky cum. The bitter, salty, sticky cream filled Joanna's mouth as she tried to spit it out. As much as she tried to back away, the animal simply wouldn't stop fucking her throat and cumming.

"Ugh," Joanna groaned as she felt the bear's cock cut off her air supply. Trying to breathe, she watched as tiny black stars began to appear in her vision. Suddenly, Joanna could no longer breathe. The animal's cock had enlarged and lodged itself deep inside her throat. She smelled the bear's sweaty piss stink coming from his groin and hated every moment. Trying to move only resulted in pain as the animal held her in place firmly with his enormous paws.

Joanna choked on the bear's hairy cock and felt something touching her sensitive pussy lips. Tears already streaming down her face, she turned to look behind. As much as Joanna wished to scream, she couldn't. The bear's dick still held himself halfway down her airway. Even though her eyes were red from asphyxiation, she wished for only one more breath of air.

Suddenly, the animal's dick in her mouth exploded, bursting forth with thick ropes of white cum that stuck to Joanna's throat. Gagging on the salty cum draining down past her tongue, she tried to suck in one big gasp. On the verge of blacking out, Joanna took a large breath of the thick smoke in the air.

Her eyes stung and felt like they were on fire. Hardly able to see through her tears, Joanna clung to life and saw the beast behind her ass.

Deep terror shot through Joanna when her eyes met her father. She saw his cock fully erect between his legs and a whip in each hand. Always terrified of the man, Joanna tried to move. Unfortunately, the bear's cock was pumping cum into her throat while it held firmly onto the back of her head. As much as Joanna wanted to run, she simply couldn't budge.

"This is your hell," Gerald shouted over the bubbling lava stream that flowed nearby. He saw his daughter's creamy pussy and flipped the whip. The tip hit exactly where he planned – Joanna's clitoris.

"AHHK!" Joanna screamed as the bear's cock emerged from her cum-filled throat. She gagged and gurgled on the semen, gasping for a breath while her cunt suddenly flared with more pain than a thousand suns. Her eyes widened, bulging with the extreme sensation between her legs. Bent forward in a doggystyle position, she attempted to stand and close her hips.

Gerald snapped the whip – a cat of nine tails – onto his daughter's swollen pussy. He hit between her sore pink lips and snapped it right onto her vaginal opening. Seeing his daughter open her mouth in an attempt to scream made him grin and chuckle with satanic laughter. "What's wrong? Can't talk?" Laughing, Gerald twisted his right hand and snapped the leather whip against his daughter's spread anus. Watching her fall forward onto the ground and beg made him want to push her even further.

"Dad! Please, no!"

Gerald was on his daughter in an instant. His cock, fully hard and erect, pressed against Joanna's cummy pussy. The slick cream made for a perfect lubricant as he went further. "I've wanted you for so fucking long."

"You're sick!" Joanna replied. She could only feel hate toward her father. "Please stop! Please!!" Without a moment's notice, Joanna felt her dad's cock jammed into her pussy.

She screamed, having felt like her insides were on fire. The animal's cock had stretched her open, and now Gerald was fucking her.

"Aghhhh! Ughhhh!!" Joanna screamed while tears streamed down her cheeks. She felt her cunt burning around her father's cock as he pulled back and drilled his prick deeper. "No! Please, no!"

"This is Hell, you slut!" Gerald shouted as he fucked his daughter's pussy. He spread her ass cheeks with his hands and watched as her asshole began to open as his cock pushed deeper inside. "You're mine now, bitch!"

"Help me! Please help me! He's crazy!" Joanna screamed as she felt her father's cock push deeper inside her pussy. Her pussy was burning with pain when she felt something touching her anus. "Please! No!" Gerald leaned over his daughter and spit on her asshole. He took his cock and smeared his spit around the outer ring of her starfish. "Don't! Please!"

Gerald spit on his daughter's anus again and pressed his cock against her tiny pucker. He wanted to hear her beg for mercy as he tore her asshole apart. "Please forgive me!" She screamed, tears streaming down her face. "I'm so sorry! I'm so sorry!"

"Take it! You nasty, dirty cunt!" Gerald shouted as he pushed his cock into his daughter's asshole.

"AHHH!" Joanna screamed as her father's cock entered her asshole and her fiery pussy. She'd never had such pain in her life, and now her father was raping her.

"Want some more, you fucking slut?!" Gerald shouted as he began to pump his cock back and forth between his daughter's pussy and asshole. He smiled as much as he could, enjoying the fucking tremendously. Joanna had always hated the man but never truly knew the extent of his madness.

Gerald pumped his cock faster, watching his daughter's asscheeks bounce from the powerful thrusts. He knew he was going to cum soon and didn't care. "I'm going to nut in your fucking ass! Then I'm going to fuck this ass even more!"

"Oh please! Please, no!" Joanna begged. She couldn't believe that her father really would fuck her ass. "Please! Don't! Please!"

"Too late, bitch!" Gerald shouted as he pulled his cock from his daughter's ass. He pointed the head of his cock at her open asshole and sprayed hot jizz all over the ring. His cum dripped down her anus, and Joanna felt the hot liquid running down her pucker. "You're going to be my whore now, just like your mother!"

"You've got to stop this, dad! Please!" Joanna begged while she tried to move away from her father's slippery cock. She couldn't believe he had the nerve to mention her mother. Tina wasn't here... or was she?

"Stay here you fucking slut! I'm not done with you yet!" Gerald shouted, grabbing his daughter's hair and pulling her head back. He loved the feeling of her long locks in his hands. "I'm going to fuck this pretty face of yours next."

Gerald smiled and bent over. He grabbed hold of his daughter's hair and tightened his grasp, pulling her head to his groin. "Suck my cock and I might give you a break."

Joanna's body tightened when she felt another cock penetrate her pussy. Looking over her shoulder, she saw a relatively big dog. It had dark black fur and looked similar to a Doberman. She noticed fire pouring from his eyes and molten lava dripping from his mouth. The dog's feet were on fire, as was his tail. Trying to take this all in, she found it difficult to focus on her father's dick thumping against the back of her throat.

"That's a hellhound," Gerald stuttered as he thrust his cock into his daughter's mouth. Seeing tears pour from her face made him smile – then he noticed the animal had begun fucking. "You're not prepared for this."

"Owwweee! OWWW!!!" Joanna screamed in pain as the fire flared into her pussy. It felt like the animal had a rod of fire jammed inside her cunt. "Owww please! Nooooo!!! Stop!!!!"

The burning fur of the dog's feet and tail flickered with flame while the smell of burning meat emanated from the dog's snout. The hellhound smelled of sulfur and smoke – a volcano's stench of brimstone and decay, the acrid stench of ozone. Joanna, entranced by the beast, tightened her muscles and

attempted to curl into a ball. "Please, please..." she begged, trying with all her might to escape the inevitable fuck.

"Noooo!!! Owwwwweeee!!!" Joanna heard the scream and thought it sounded familiar for a moment, then she realized it was her mother. She tried to see through the low-hanging smog but couldn't find her mom. "Hello?" Joanna questioned the darkness as she felt the fiery rod of Hell fucking her cunt. The animal's blistering hot balls smacked against her clitoris with each thrust and sent overwhelming waves of pain and pleasure throughout her body. Her eyes were wide with fear as she watched her father smacking her mother's ass – the outline of the two figures against the red lava in the background.

Hellish screams filled the air as Joanna felt the animal buck forward, jamming his dick as far as possible into her raw cunt. "Ugh," she groaned, watching her mother's mouth open in horror. Locking eyes with her mom, she realized they were both doomed. No hope showed in her mother's eyes, and it made her gut clench. Was she to be in this terrible nightmare for eternity?

"Yeah bitch! Take that cock!" Gerald shouted, watching his daughter's eyes widen with fear. "This is your fucking fault! You bitch! You fucking slut!" Joanna watched her father as he screwed her mother's ass with a clenched fist. She could see his arm jerking in and out as he fucked her mom's ass, and her eyes filled with tears. "Fuck you, you fucking bitch!" Gerald stuttered in rage.

"Please! Please! Get it out! Please!" Joanna begged, tears streaming down her face. She felt the animal's cock swell and pulse inside her raw pussy. A flood of cum poured into her cunt, filling her pussy with white-hot lava.

"Aghhhh!!" She screamed as the hellhound's load filled her pussy with hot cum. Her cunt was on fire, and the burning dog dick didn't help ease her pain.

"Please! Get it out!"

"What the fuck is wrong with you?!" Gerald shouted at his daughter as he walked over, then fucked her mouth hard. He was enjoying the sight of his daughter's mouth going up and down on his cock. He thought of her tongue swirling around his shaft, and his balls tightened. "You're a fucking whore!"

Joanna felt the animal's cock rapidly shrinking inside her raw cunt. She felt hot lava running down her legs, and she couldn't help but wonder if her mother was in the same situation. "Noooo," she begged, watching the dog trotting to her mom while her father fucked her mouth. "Noooo!!!" She watched the red lava fade to black as she felt the burning animal's cum flow through her cunt. Her pussy was on fire, and her body felt as if it were going to explode.

"Please!" she begged as her father's cock slipped from her mouth.

She watched her father's cock retreat from her mouth, and his face came into view. Gerald's eyes were black, and his cheeks sunken. His face looked like a death mask – a skeleton with black skin. "You're a fucking whore," he said as he tightened his grip on her hair. He enjoyed the feeling of her locks in his hands. "You're a dirty slut."

"Please, don't do this dad," Joanna begged as she slowly realized he was far too gone to reason with. "I'm begging you."

"Shut up, you fucking bitch!" Gerald shouted as he reached back with his free hand. He grabbed a handful of his daughter's hair and yanked her head

back, exposing her neck. He pointed his tongue and felt it touch the side of her head. "You taste so much like your mother." Growling, he leaned forward and took his daughter doggystyle, thrusting his cock into the dog-cum filled cunt. The slickness made for a perfect lubricant as he began to ram harder and harder, deeper and deeper. "I'm your dad and Lucifer himself tasked me with your eternal ...pleasure."

"I hate you so much!" Joanna screamed at her dad as he fucked her pussy, painfully stretching her walls with his enormous dick. "Fuck! Fuck!" She could see the veins on his cock pulsing with each movement and wished he would stop raping her repeatedly. Trying to think clearly, Joanna found it difficult – her dad and the hellhound had fucked her raw.

"That's a good girl," Joanna's father grunted as he gaped his daughter's asshole with his thumbs. He could see into her pink anus and wished he had a wooden pole to screw her ass with. With the single thought, a gnarled stick fell from the sky and onto the ground beside his feet. Reaching down, he picked it up and smirked.

Joanna's eyes bulged, and she gasped for air when she felt the wooden rod spike into her anus. "Nooo! Oh, ugh! Ugh! Nooo!!!!" She tried to pull away from the wooden pole but had no freedom of movement. Her father held her head firmly, and her left arm was pinned behind her back, controlled by a firm hand. She tried to scream, but the wooden pole brutally fucked her ass, and not a whisper left her mouth. "Noooooooo!!!" Her dad continued his relentless assault as he pushed his weight onto the pole, driving it further into her asshole.

Gerald watched Joanna's ass cheeks jiggle while the pole buried itself in her tight asshole, then pulled it out before ramming it back inside. His daughter's anus was too small to contain the pole's width, and he could see her walls expanding as the stick disappeared. "Yes! Take that cock up your worthless pussy!" He hissed as his cock continued to stretch his daughter's sore cunt.

"Ugh!" Joanna begged as her dad continued to brutally fuck her asshole with the pole. She could feel her rectum burning and couldn't comprehend this lasting for eternity. The wooden pole was huge, and it mercilessly jammed itself deeper into her asshole as her dad continued to fuck her without slowing down in the slightest.

Joanna saw movement from the corner of her eye and noticed a demonic figure approaching through the dark smoke. Was this... thing, Lucifer himself?

"This is good, oh so very good," the demonic entity spoke, his forked tongue curling around in the air, seemingly having a mind of its own. He watched as Joanna was held down on all fours, twelve inches of cock up her dripping cunt and another fifteen inches of wood in her ass. "I think you can do better."

"Of course, yes, yes, I will do that," Gerald stammered. He looked down at his daughter and watched her breasts heave. "I will make her Hell much worse. I swear it."

"How?"

Gerald turned and smirked. "Joanna, fuck Lucifer's fat cock."

"No!"

"I thought you'd say that," Gerald said under his breath. He thought about his daughter's face, then he considered her mouth sewed shut. Looking down at Joanna, he saw that his will had been done.

Lucifer nodded with a wicked grin. The young woman was beautiful and had to be a good fuck, whether she liked it or not.

"Joanna, fuck Lucifer's dick," Gerald bellowed.

"Mfmfmmfffm!" Joanna struggled to speak but couldn't.

Gerald grabbed Joanna's shoulders and forced her to the searing hot ground. "Don't you dare move. This can go really bad if you continue to struggle."

Joanna felt tears falling down her cheeks as she breathed in and out through her nose desperately. The feeling of fire lit up her backside, then flushed through her body as Lucifer forced his cock up inside her cunt. "Mfmfmfmf!!!" She looked around in fear of what would happen if she did resist. However, she could think of nothing worse than her current situation. Heaving down, pressing upwards with her back, made for a difficult rape as she tried to get the demon off her back.

Gerald replied, "That's fine. If you want to make things even worse off for yourself, okay." He closed his eyes and thought about his daughter's face. Seeing her dark mascara run down her face with tears, he considered her eyes sewn shut. Gerald opened his eyes with a terrifying grin. Looking down, he saw

exactly what he had seen in his mind. Thin lines of black wove in and out of her upper and lower eyelids, tugging and holding them together.

With the world dark around Joanna, she struggled to move but found it challenging. She bucked against Lucifer while she felt his cock burning inside her pussy, stretching her cunt to the limit and forcing its way past her cervix. The fact her mouth and eyes had been sewn shut was painful, but not nearly as much as the rod being forced back inside her asshole.

"She's so nice and quiet," Lucifer said to Gerald. "Give me that rod."

Gerald tossed Lucifer the rod he had been fucking into his daughter's ass.

In one motion, Lucifer snatched the stick out of the air and slid it down against Joanna's puckered anus. He watched while he pushed it inside the tiny opening and jerked it deeper and deeper inside. Feeling Joanna's pussy clench onto his cock made Lucifer want to cum, so he did. Releasing long, hot streams of fire and semen into Joanna, he fucked her relentlessly all the while. He could feel her breasts swinging wildly with each thrust.

Joanna's cunt was filled with the burning semen of the demon. She begged for the rod to stop burning her asshole, but it only continued to plunge deeper inside. She felt a disgusting warmth filling her pussy and knew Lucifer had cum. The pain of the wood fucking her ass made her want to throw up, and she did, only to be reminded that her mouth had been sewn shut.

Gerald watched Lucifer fuck his daughter's pussy and couldn't help but feel jealous. He wanted to feel her cunt, to ram his cock into her and feel the wetness, but he couldn't. Snarling, he waited his turn.

Lucifer looked down and saw the rod continuing to fuck Joanna's asshole, his hands moving faster. "What are you doing?"

Lucifer pulled the stick out of Joanna's ass and used it to rub her pussy lips. The sensation of the sharp tips of the pole rubbing against her clitoris was all the incentive Joanna needed to cum. She began to shudder as Lucifer fucked her cunt.

"She's a squirter!" Lucifer shouted, "I love this girl. She's staying here in Hell as my fuckslut!"

Gerald watched the pole ramming his daughter's pussy, and he clenched his fists. He couldn't hold himself back much longer. Stroking his rock-hard cock, he watched the demon pull on Joanna's hair, creating an arch in her back.

"She's so warm and tight," Lucifer roared loudly. Several demons within the immediate vicinity took notice and surrounded the two women being fucked. Many took to a line forming behind each woman – the mother and daughter. One large creature stepped forward, his body on four legs. He had long hair that had grown to the ground level and had a bulbous, fiery red cock. Growling, he mounted Tina and thrust his enormous dick into her body. Immediately, she was impaled by the angry beast and lifted off the ground.

Gerald couldn't believe what he was seeing. His wife, Tina, was an absolute bitch and deserved everything coming to her. "You're fucked!" He shouted before bursting into maniacal laughter. Gerald watched as the enormous animal hammered into Tina, again and again, his cock stretching her cunt to inhuman amounts. This was the underworld, so anything was possible,

he thought curiously before looking back at his daughter wildly flailing against Lucifer.

Joanna felt her body being used, and after the long, rough, thick cock had pulled from her pussy, she felt yet another lunge inside. "Mfmffmffffmmmm!" She snorted from her nose and tried to buck away from the pain. "MFFMFM!!" Joanna screamed, her eyes trying to open desperately and painfully. After feeling nothing but total, complete, and utter horror for so long, she suddenly felt pain on her pussy lips. Searing white light crossed her eyes in her mind as the sheer pain flared every nerve in her body to life. Nothing could compare to this.

Gerald held the brand on his daughter's cunt until she was branded to Satan. "She's yours, forever," he cackled before walking over to his wife. Watching the dog-like demon fuck Tina, he couldn't help but feel satisfied. She finally got what she deserved. Holding the brand, he looked at the bright hot red tip with a pentagram, then firmly held it against his wife's cunt lips...
